Optimal ease of use

- Ergonomic grip for comfortable handling
- Extra speed setting for more sensitive zones
- Washable epilation head

Skin comfort

- Hypo-allergenic efficient metal epilation system

PHILIPS

Highlights

Opti-start cap with massage

For a maximum skin contact at all times while relaxing your skin before epilating, this combi-attachment positions the epilator at the optimum angle for a constant effective hair removal

Lift and massage attachment

Lifts even the short hairs for an extra close epilation and relaxes your skin for a gentler hair removal at the same time.

Sensitive cap

Specifically adapted for more sensitive skin, allowing for gentle epilation in delicate areas.

Bikini trimmer head

Bikini trimmer head for precise trimming and styling of your bikini area

Ergonomic grip

Ergonomic grip for comfortable handling

Two speed settings

Two speed settings for more sensitive zones

Hypo-allergenic

The hypo-allergenic discs for sensitive skin, remove hair as short as 0.5 mm

Washable epilation head

Fully washable epilation head for optimal hygiene.
